5:00 Adjustments to the Agenda

Public Comment

Public Hearing – Transportation Alternatives Grant Application

The North Branch Cascades Trail project would study the potential for a ~1 mile, share use path between the North Branch of the Winooski River and Rt. 12 in Worcester and Elmore. It would also work to address stormwater runoff impacts from Rt. 12. CVRPC would serve as fiscal agent for the project and provide coaching to the Vermont River Conservancy regarding program guidelines. The hearing will solicit comments on the application and project.

5:15 Adjourn
