8 Staff: B. Waninger, B. MacBrien

9 Guest: None.

10
11 Chair B. Atwood called the meeting to order at 5:05 pm.

12
13 **Adjustments to the Agenda**

14 None.

15
16 **Public Comment**

17 None.

18
19 **Consent Item**

20 *J. Potter moved to approve the consent items with the corrections to the minutes as noted:*

- 21 • *Packet page 3, line 41, insurance language ...remove "is"*
- 22 • *Packet page 5, line 11, delete duplicative "motion carried"*

23
24 *T. Ruth seconded. Motion carried.*

25
26 **Financial Report**

27 B. MacBrien noted the financial are still draft. CVRPC is in decent shape. Staff medical leave
28 has reduced receivables, especially transportation, emergency management, and clean water
29 contracts. Contract balances could not be claimed fully. Unused funds could not be used after
30 these contracts closed on September 30.

31
32 MacBrien said CVRPC works to maintain a minimum checking account balance of \$60,000.
33 CVRPC is beginning to see its anticipated cash impacts from understaffing. In addition, billing
34 has been delayed, and small grants haven't been billed as MacBrien learns how to bill each grant
35 and to demonstrate and record match.

36
37 The Committee discussed cash flow, liability tracking for accrued compensated absences, and
38 management of finances and cash. B. Waninger reminded the Committee about past
39 conversations on anticipated cash tightening. L. Hebert asked whether the personnel policy

1 needs adjustments for maximum compensated absence accruals. Waninger said adjustments had
2 been made to the policies in September that would assist with this in the future; the changes did
3 not include compensated absence accruals. She noted the timing of the staff absence was
4 unfortunate in that it was near the end of the contract period and initially for an uncertain time.
5 Organizations typically maintain an appropriate reserve fund to cover accrued compensated
6 absences. CVRPC is working to build reserves. Staff will keep the Committee apprised of cash
7 flow progress.

8 9 **Policy Approvals**

10 The Committee reviewed the proposed Cost of GIS Services Policy. The Committee requested
11 that staff track the GIS hours used by town, and inform towns about the policy change for the
12 budget process.

13
14 *D. Strong moved to approve the amended policy adding the at-cost rate for basic work above 12*
15 *hours and to notify the towns; L. Hill-Eubanks seconded. Motion carried.*

16 17 **Personnel Policy Job Description**

18 B. Waninger described the proposed changes to the Major Areas of Work. She highlighted why
19 the changes were being recommended.

20
21 *D. Strong moved to approve the new Natural Resources Major Area of Work (MAW) as a*
22 *revision to CVRPC's Personnel Policy Manual, to delete the Water Quality MAW, and to amend*
23 *the Other MAW; L. Hebert seconded. Motion carried.*

24 25 **Staff Performance Evaluations**

26 Waninger stated she had taken information from the new Personnel Policy Manual and outlined
27 the evaluation process. J. Potter noted CCRPC had one staff compiled the form rather than have
28 an Executive Committee member complete this task. Potter recommended modification of Part
29 A to substitute "demonstrates" for "has" skills and knowledge; the Committee concurred. The
30 Committee asked that staff be provided with Part A, and the open ended questions related to
31 three strengths and areas for improvement. B. Atwood volunteered to be the receiver of
32 information from staff.

33
34 L. Hebert requested the Executive Director provide an evaluation of the Executive Committee
35 for how it is doing in support of the committee and organization.

36
37 *D. Strong moved that B. Atwood be the point contact for the Executive Director evaluation; L.*
38 *Hebert seconded. Motion carried.*

Financial and Administrative Services

B. Waninger reminded the Committee of CVRPC’s relationship with the Mad River Valley Planning District (MRVPD), Cross Vermont Trail (X-VT), and Wrightsville Beach Recreation District (WBRD). CVRPC provides for-fee financial services to MRVPD and WBRD. Staff working for MRVPD and X-VT are employees of CVRPC. CVRPC also provides financial services free of charge to the Mad River Resource Alliance. These relationships evolved over time, and none appears to be documented via contract or agreement. Waninger discussed potential risks and discussions with MRVPD, X-VT, and WBRD about formalizing the relationships. All were supportive and expressed appreciation for CVRPC’s services. Waninger will continue discussions with the organizations to map service needs and benefits with the goal of formalizing the contractual relationships while managing risks to CVRPC.

Commission Meeting Agenda

L. Hill-Eubanks moved to accept the Commission agenda as presented; L. Hebert seconded. Motion carried.

Executive Session – 1 V.S.A §313(3), Personnel

None held.

Adjourn

L. Hebert moved to adjourn at 6:07 pm; L. Hill-Eubanks seconded. Motion carried.
