

Planning & Zoning Roundtable

Central Vermont Regional Planning Commission

05.29.19 6:00 to 8:00 pm

Location: Montpelier City Hall

39 Main Street, Montpelier

Refreshments will be provided

RSVP's appreciated, email chartrand@cvregion.com

Agenda

- 6:00 pm Welcome and Introductions—Clare Rock, CVRPC
Brief orientation of land use planning and available resources
- 6:20 pm Accessory on-farm businesses—Agency of Agriculture
In 2018 the Legislature passed Act 143, with the purpose to promote and facilitate the economic viability of Vermont Farms. It creates a statewide municipal land use category called “accessory on-farm business” and limits municipal regulatory authority of this use. A representative from the Agency of Agriculture will discuss the law and how it is applied at the local level.
- 6:50 pm Water and Wastewater Planning for Rural Communities—Lynnette Claudon, Engineering Planning Advance Program, VT DEC
Over half of Vermont village’s lack sewage treatment facilities which can limit opportunities for village revitalization efforts. Learn more about the solutions and about the Planning Advance Program from Ms. Claudon; plus hear how other villages took the first steps in the planning process.
- 7:30 Roundtable Discussion
Opportunity for attendees to ask questions and seek input/advice form others on any other topics.
- 8:00 pm Goodbye!
