Green Mountain Transit NextGen Public Meeting Presentation

17 18

19

20

Rachel Kennedy from Green Mountain Transit presented on the Nextgen service changes that are being proposed for Washington and Lamoille counties. She started by letting everyone know that these service changes are planned to go into effect in September 2019 and that a new round of public meetings will be held in Washington county starting in May and June.

21 22 23

- The routes proposed for service improvements include:
- 24 Barre and Montpelier Hospital Hill, Montpelier City Route, Waterbury Commuter, US 2 Commuter,
- 25 Montpelier LINK Express, Northfield Commuter, Montpelier Circulator, Capital Shuttle, and the Route
- 26 100 Commuter.
- 27 Q How old is the Montpelier circulator? I hear it takes 2 years for anyone to get use to a service.

- 1 A The service is more than 8 years old.
- 2 Q What are the percent cost shares of our bus routes?
- 3 A 20 % local match 30% State 50% Federal
- 4 Q Where are the fares included in those percentages?
- 5 A In the state percentage. Which for our region it is around 5%.
- 6 Q What % are free passes like the ones UVM medical or students use?
- A Those passes are not free they are paid for by UVM. But they use the unlimited pass so you can ride
- 8 as many time as you like.
- 9 Q What percentages of riders are commuters and one time users?
- 10 A I don't have that number at the moment but I (Rachel) will look it up and let you know.
- 11 Q Is there anything going on in the Mad River Valley?
- 12 A We still have the seasonal service running for Fy20. That service will have some improvements made
- including going back to door to door pickups for FY20.
- 14 Q Do you have any plans to connect from the ski areas to the train stations?
- 15 A There was a Montpelier to Mad River service that fall short on ridership and was discontinued it a
- 16 few year back. No the train service is unreliable at this time and can't be reliably connected to.
- 17 Q Is there any bus service planning to connect Hardwick on Route 14 and/or Morrisville on Route 12 to
- 18 Montpelier?
- 19 A That was looked at during the study but is not planning at this time because it would increase costs.
- 20 Q Are the buses allowed to idle in the parking lot?
- 21 A I will have to check in on that and get back to you
- 22 S There are rumors that the US 2 Commuter mid-day run will be discontinued.
- 23 I would not what this service changed as there is no way to get a ride back in the middle of the day
- 24 making people wait all day in Montpelier for the afternoon bus.
- 25 A That route is still being reviewed and more feedback is being taken.
- 26 S Meeting during the TAC meeting for public transit input disadvantages many people who need to
- 27 take transit.

28 29

Additional feedback can be emailed to GMT feedback at feedback@RideGMT.com

30 31

Presentation on Trial Counts and Economic Impact Report

- 32 Drew Pollak-Bruce of the SE Group presented on the Catamount Trail Association Trail Counting and
- 33 Economic Impact Analysis work they have being doing. The goal of this work is to gather data Year-over-
- year to understand use, establish season-long trail counting in multiple locations along the Catamount
- 35 Trail and some local chapter trails, build an understanding of overall trail use by exploring different
- 36 sections/character, and understand the Catamount Economic impact on the local economy.

37

- Q Does your economic impact model use the information found in the 2016 Vermont Trails and
- 39 Greenways Economic Impact Study?
- 40 A Yes it does
- 41 Q The spending numbers for the Catamount Trail seem really high, is there a reason?
- 42 A While one item that contributes to the cost is the difference between and local and non-local
- spenders. Where the non-local spending is higher than local spending.
- 44 Q Is there any modeling of the health benefits?

Approve January 22th and February 26th TAC Minutes:

S. Lotspeich and A. Quackenbush requested some edits to the minutes. No motion was made as there was no quorum present to vote. The minutes will be added to the April meeting agenda for approval.

Review and Approve Prioritization of Capital Program Projects

An annual list of CVRPC's VTrans Capital Program Projects are prioritized by the TAC and submitted to VTrans each year. Projects ranked by the region will have a greater probability of being selected by VTrans to move forward to construction. VTrans is looking for the TAC to prioritize 20 Capital Program Projects for FY21.

D. Currier presented the list that was ranked at the February TAC meeting. S. Lotspeich suggested not ranking the Waterbury Roadway project as the number 1 project because that project I under construction right now and advance the Barre City-Barre Town, Roxbury, and Cabot-Danville by one ranking position. D. Currier reported out on two projects that the TAC requested more information on: US 2 roadway project in Plainfield and Marshfield is completed but due to the condition of the pavement VTrans is programing a new project for this summer that will repair the surface. Duxbury's town highway bridge project is a new project to the list. The bridge is undersize and in need of replacement. The TAC ranked the projects as follows:

FY19 CVRPC Draft		REPORTING			
Priority Ranking	PIN	FORMAT	PROJECT NAME	PROJECT NUMBER	
Roadway					
Not Ranked	85B006	Front Of Book	WATERBURY	FEGC F 013-4(13)	
			BARRE CITY-BARRE		
1	83D106	Front Of Book	TOWN	MEGC M 6000(11)	
2	17D045	Front Of Book	ROXBURY	STP SCRP(26)	
3	78D348	Front Of Book	CABOT-DANVILLE	FEGC F 028-3(26)C/3	
State Highway Bridge					
1	16B010	Front Of Book	MORETOWN	BF 0167(16)	
2	12B148	Front Of Book	CALAIS	BHF 037-2(12)	
3	12B144	Front Of Book	CALAIS	BHF 037-2(10)	
4	12B146	Front Of Book	CALAIS	BHF 037-2(11)	
5	13B254	D & E	BERLIN	BF 026-1(43)

4	10C388	Front Of Book	BARRE TOWN	STP HES 0169(8)

"G. D'Amico agreed to remove the number one ranking from the Waterbury roadway project because

that project is under construction and advance the Barre City-Barre Town, Roxbury, and Cabot-Danville

4 5 6

1 2

3

by one ranking position. He agreed to pass the reviewed and prioritized list as adjusted onto the executive committee for approval. F. Pratt seconded those statements and the TAC members present agreed unanimously."

7 8

9

TAC Member Concerns

G. D'Amico commented that he did not like having the business plug from the SE Group and that the numbers where hard to believe.

10 11 12

F. Pratt commented that the East Barre and Williamstown Park and Rides are not being well maintained. There are broken down cars making it hard to remove snow and trash everywhere. Z. Nederland volunteered to follow up with VTrans to find out who maintains those and let them know.

14 15 16

13

Set Agenda for Future TAC Meeting

Review of Functional Class Road Changes

Presentation on the use of Unmanned Aerial Systems (UAS)

18 19 20

17

Adjourn:

The meeting was adjourned at 8:25 pm.
