

Central Vermont Regional Planning Commission

TRANSPORTATION ADVISORY COMMITTEE

Tuesday, April 28, 2015, 7 p.m.

Central Vermont Regional Planning Commission Office
29 Main St., Suite 4, Montpelier (see Location Map)

AGENDA

1. Introductions

Meet Bonnie Waninger the new Executive Director for CVRPC.

2. New Planning Studies for the FY16 Work Program.

CVRPC has had up to \$35,000 available for new transportation related planning for city, village, intersection, bike path, sidewalk, public transit, byway, culvert, and road surface management studies. TAC members should consider and identify new issues for study within the Region or individual communities. Community transportation studies will need to be requested by the City Council or Select Board. The following organizations will be presenting their proposals:

City of Montpelier – Main St./Barre St. Intersection;

Waterbury – Stowe St. Bridge;

Town of Barre – TBA

Town of Orange – Reservoir Road Straightening Study;

Cross Vermont Trail Association – US 2 Study, Moretown, Duxbury

Mad River Path Association – Tenney Property Trail Study;

GMTA – Update to the CCTA/GMTA Transit Development Plan (**presenting in May**).

3. Approve March TAC Minutes (attached) Possible Action Item.

4. Nominate TAC Officers, and set agenda for the May TAC Meeting.

TAC Chair and Vice Chair nominations will be accepted at the April and May Meetings, and elected at the May meeting.

5. Adjustments to the FY 15 Budget Possible Action Item.

Staff will present the budget, and explain the new issues. Some of the funding allocated to two organizations, may not be utilized. Staff would also like to hire a summer intern, for field work.

6. May TAC Meeting Topics

WorkProgram, Lake Champlain Cleanup Transportation Issues, Highway Sec. of the Reg. Plan

Other

VTrans On-Road Bicycle Plan Public Meeting, April 30 2015, 6-8 pm, Vermont Interactive Technology Sites. More info at <http://vtransplanning.vermont.gov/bikeplan>
