23
24 **Consider Factors for Other Committee Nominations**

25 The Committee discussed several factors: diversity in perspectives, balance related to

27 formal or informal leadership.

28
29 The Committee discussed how to balance interest and tenure if all current members of a

31 committees may not be possible based on interest.

32
33 **Consider Interests and Committee Nominations**

34 The Committee reviewed current membership of each committee, which members remain

38 **Next Steps**

39 The Committee set its next meeting for March 10 at 4 pm. It discussed potential agenda items:
