

CENTRAL VERMONT REGIONAL PLANNING COMMISSION

FY21 ANNUAL REPORT – CITY OF BARRE

The Central Vermont Regional Planning Commission is a consortium of 23 towns and cities in Washington County and western Orange County. The Commission provides planning, development, and project implementation assistance to communities. All municipalities in the region are entitled to equal voting representation by a locally appointed member to the governing Board of Commissioners.

2021 Barre City Activities

- ❖ Confirmed municipal planning process and approved municipal plan.
- ❖ Provided project development services for priority stormwater projects.
- ❖ Facilitated Central Vermont Path meeting to share municipal progress and coordinate next steps.
- ❖ Provided updates regarding Green Mountain Transit's Central Vermont facility relocation study and completed a public transit bus stop amenities inventory.
- ❖ Wrote grant application to identify alternatives for rehabilitation or removal of railroad Trestle #308 which exacerbates flooding due to debris collection on a mid-stream pier.
- ❖ Facilitated multi-sector team and wrote successful grant application to create a nimble workforce development system that assists single mothers in Barre to achieve economic stability.
- ❖ Identified natural resource projects for funding through an infrastructure improvement project.

CVRPC Projects & Programs

- ❖ *Municipal plan and bylaw updates:* Focus on predictable and effective local permitting through education, bylaw modernization, and plan updates.
- ❖ *Brownfields:* Complete environmental site assessments so properties can be sold, developed or redeveloped to benefit the community, stimulate the economy, create/protect jobs and increase housing opportunities.
- ❖ *Transportation planning:* Coordinate local involvement in transportation decisions through the Transportation Advisory Committee and provide studies, plans, data collection, and counts.
- ❖ *Emergency planning:* Better prepare our region and state for disasters by coordinating with local volunteers and the state on emergency planning, exercises, and training.
- ❖ *Energy conservation and development:* Foster projects that support energy conservation to save energy and tax dollars and identify opportunities for renewable energy generation.
- ❖ *Natural resource planning and projects:* Implement activities to protect water resources/supplies, enhance recreational opportunities, maintain the forest products industry, and enhance environmental health.
- ❖ *Regional plans:* Coordinate infrastructure, community development, and growth at the regional level through the development, adoption, and implementation of a regional plan.
- ❖ *Geographic Information System services:* Provide municipalities, state agencies, and regional groups with mapping and data analysis in support of their projects.
- ❖ *Special projects:* Complete special projects, such as downtown revitalization, recreation paths, farmland preservation, economic development, and affordable housing projects.
- ❖ *Grants:* Identify appropriate grant sources, define project scopes, write applications, and manage projects.

The Commission has no regulatory or taxing authority; each year, we request a per capita assessment from our members in support of local and regional planning activities and to help offset costs and provide local matching funds needed for state and federal funding. Your continued support for local and regional planning is appreciated! CVRPC is your resource -- please contact us at 802-229-0389 or cvrpc@cvregion.com for assistance.
