

# CENTRAL VERMONT REGIONAL PLANNING COMMISSION

## FY21 ANNUAL REPORT -- TOWN OF MARSHFIELD

The Central Vermont Regional Planning Commission is a consortium of 23 towns and cities in Washington County and western Orange County. The Commission provides planning, development, and project implementation assistance to communities. All municipalities in the region are entitled to equal voting representation by a locally appointed member to the governing Board of Commissioners.

### FY21 Marshfield Activities

- ❖ Completed Grants in Aid FY21 pre-construction site visit.
- ❖ Drafted Local Hazard Mitigation Plan and secured FEMA approval so that Town is eligible for federal grants and a higher level of state reimbursement for flood damages.
- ❖ Provided energy efficiency information so that Town can track progress on its energy goals.
- ❖ Completed traffic count and conducted speed studies on Bunker Hill Road, Gilman Street, English Cemetery Road, Folsom Hill Road, and Upper Depot Road.

### CVRPC Projects & Programs

- ❖ *Municipal plan and bylaw updates:* Focus on predictable and effective local permitting through education, bylaw modernization, and plan updates.
- ❖ *Brownfields:* Complete environmental site assessments so properties can be sold, developed or redeveloped to benefit the community, stimulate the economy, create/protect jobs and increase housing opportunities.
- ❖ *Transportation planning:* Coordinate
- ❖ local involvement in transportation decisions through the Transportation Advisory Committee and provide studies, plans, data collection, and counts.
- ❖ *Emergency planning:* Better prepare our region and state for disasters by coordinating with local volunteers and the state on emergency planning, exercises, and training.
- ❖ *Energy conservation and development:* Foster projects that support energy conservation to save energy and tax dollars and identify opportunities for renewable energy generation.
- ❖ *Natural resource planning and projects:* Implement activities to protect water resources/supplies, enhance recreational opportunities, maintain the forest products industry, and enhance environmental health.
- ❖ *Regional plans:* Coordinate infrastructure, community development, and growth at the regional level through the development, adoption, and implementation of a regional plan.
- ❖ *Geographic Information System services:* Provide municipalities, state agencies, and regional groups with mapping and data analysis in support of their projects.
- ❖ *Special projects:* Complete special projects, such as downtown revitalization, recreation paths, farmland preservation, economic development, and affordable housing projects.
- ❖ *Grants:* Identify appropriate grant sources, define project scopes, write applications, and manage projects.

The Commission has no regulatory or taxing authority; each year, we request a per capita assessment from our members in support of local and regional planning activities and to help offset costs and provide local matching funds needed for state and federal funding.
