

# CENTRAL VERMONT REGIONAL PLANNING COMMISSION

## FY21 ANNUAL REPORT – TOWN OF PLAINFIELD

The Central Vermont Regional Planning Commission is a consortium of 23 towns and cities in Washington County and western Orange County. The Commission provides planning, development, and project implementation assistance to communities. All municipalities in the region are entitled to equal voting representation by a locally appointed member to the governing Board of Commissioners.

### FY21 Plainfield Activities

- ❖ Completed road erosion inventory.
- ❖ Assisted with Local Hazard Mitigation Plan development.
- ❖ Developed forest integrity maps and formatted Town Plan for adoption.
- ❖ Assisted with FEMA funding opportunities for Brook Road bridge replacement.
- ❖ Wrote grant applications to assist Plainfield Co-op with financial feasibility analysis and for stormwater project construction at The Health Center.
- ❖ Contacted VTrans regarding the status of a requested functional classification change for Brook Road.
- ❖ Provided energy efficiency information for tracking progress on Town energy goals.
- ❖ Fostered three community conversations on Rt. 2/Main Street intersection project; developed community survey and prepared feedback for Selectboard consideration.
- ❖ Assisted with Bicycle and Pedestrian grant application.

### CVRPC Projects & Programs

- ❖ *Municipal plan and bylaw updates:* Focus on predictable and effective local permitting through education, bylaw modernization, and plan updates.
- ❖ *Brownfields:* Complete environmental site assessments so properties can be sold, developed or redeveloped to benefit the community, stimulate the economy, create/protect jobs and increase housing opportunities.
- ❖ *Transportation planning:* Coordinate local involvement in transportation decisions through the Transportation Advisory Committee and provide studies, plans, data collection, and counts.
- ❖ *Emergency planning:* Better prepare our region and state for disasters by coordinating with local volunteers and the state on emergency planning, exercises, and training.
- ❖ *Energy conservation and development:* Foster projects that support energy conservation to save energy and tax dollars and identify opportunities for renewable energy generation.
- ❖ *Natural resource planning and projects:* Implement activities to protect water resources/supplies, enhance recreational opportunities, maintain the forest products industry, and enhance environmental health.
- ❖ *Regional plans:* Coordinate infrastructure, community development, and growth at the regional level through the development, adoption, and implementation of a regional plan.
- ❖ *Geographic Information System services:* Provide municipalities, state agencies, and regional groups with mapping and data analysis in support of their projects.
- ❖ *Special projects:* Complete special projects, such as downtown revitalization, recreation paths, farmland preservation, economic development, and affordable housing projects.
- ❖ *Grants:* Identify appropriate grant sources, define project scopes, write applications, and manage projects.

The Commission has no regulatory or taxing authority; each year, we request a per capita assessment from our members in support of local and regional planning activities and to help offset costs and provide local matching funds needed for state and federal funding. Your continued support for local and regional planning is appreciated! CVRPC is your resource -- please contact us at 802-229-0389 or [cvrpc@cvregion.com](mailto:cvrpc@cvregion.com) for assistance.
