### CVRPC Projects & Programs

- ❖ *Municipal plan and bylaw updates:* Focus on predictable and effective local permitting through education, bylaw modernization, and plan updates.
- ❖ *Brownfields:* Complete environmental site assessments so properties can be sold, developed or redeveloped to benefit the community, stimulate the economy, create/protect jobs and increase housing opportunities.
- ❖ *Transportation planning:* Coordinate local involvement in transportation decisions through the Transportation Advisory Committee and provide studies, plans, data collection, and counts.
- ❖ *Emergency planning:* Better prepare our region and state for disasters by coordinating with local volunteers and the state on emergency planning, exercises, and training.
- ❖ *Energy conservation and development:* Foster projects that support energy conservation to save energy and tax dollars and identify opportunities for renewable energy generation.
- ❖ *Natural resource planning and projects:* Implement activities to protect water resources/supplies, enhance recreational opportunities, maintain the forest products industry, and enhance environmental health.
- ❖ *Regional plans:* Coordinate infrastructure, community development, and growth at the regional level through the development, adoption, and implementation of a regional plan.
- ❖ *Geographic Information System services:* Provide municipalities, state agencies, and regional groups with mapping and data analysis in support of their projects.
- ❖ *Special projects:* Complete special projects, such as downtown revitalization, recreation paths, farmland preservation, economic development, and affordable housing projects.
- ❖ *Grants:* Identify appropriate grant sources, define project scopes, write applications, and manage projects.

The Commission has no regulatory or taxing authority; each year, we request a per capita assessment from our members in support of local and regional planning activities and to help offset costs and provide local matching funds needed for state and federal funding.
