

of charge. The program is free to Vermont residents earning 80% FMI, or 120% FMI for those who identify as Single Parent, BIPOC, or New American household. [Read More >>](#)

going green is easy...

Central Vermont Energy Round Table

CVRPC's Climate & Energy Planner Sam Lash is facilitating a Round Table with Energy Committees and Coordinators around the Central Vermont Region and welcomes you to participate. Read more and complete a brief survey regarding timing of the event [here](#).

Green Mountain Power (GMP) Launches Sun Match Program to Help Income-Eligible Customers Save

GMP has launched the Sun Match Pilot Program, to connect more low- and moderate-income customers with solar power, without having to build their own systems. Learn more [here!](#)

Energy Storage and Weatherization Webinar Recordings Available

The Chittenden County Regional Planning Commission co-hosted two webinars in February, which are now available online. The first webinar, co-hosted with Green Mountain Power, focused on GMP's battery storage programs. The second, co-hosted with Efficiency Vermont, focused on weatherization and windows. [Watch the Recordings](#).

RFPs, Grant Information, Applications, and Deadlines

RFP for Brownfields Phase II Environmental Site Assessment

CVRPC was awarded \$100,000 for the implementation of Vermont's Brownfield program by providing assessment funding to recognized brownfield sites in the State. The funding for this program is made possible through grant funding from Vermont Agency of Commerce and Community Development; Department of Economic Development.

CVRPC is seeking a Qualified Environmental Professional to undertake a Phase II Environmental Site Assessment on a site enrolled in the CVRPC's Brownfield Assessment Program. Full RFP & details [here](#).

RFP for Health Equity and Community Design TA Pilot in partnership with Vermont's Better Places program

Vermont Department of Health is partnering with the Vermont Department of Housing and Community Development (DHCD) to pilot a Health Equity and Community Design Technical

Assistance (TA) Pilot. The TA Pilot will provide extra capacity and resources to communities to develop healthy community design and placemaking plans and ideas, that center on equity. The TA will be available to all eligible communities to help advance healthy community design and health equity projects. The TA will also help prepare communities that are interested in, but not yet ready to apply for, the Better Places crowdfunding grants. Full RFP & details [here](#).

Upcoming Meetings

CVRPC will provide a video or call in option for all meetings (see agendas on our [website](#) for details).
