

## FY22 ANNUAL REPORT -- TOWN OF MORETOWN

The Central Vermont Regional Planning Commission (CVRPC) provides planning, development, and project implementation services to its 23 municipalities in Washington and western Orange Counties. Municipalities in the region are entitled to equal voting representation by a locally appointed member to the governing Board of Commissioners. CVRPC has no regulatory or taxing authority; each year, we request a per capita assessment from our members in support of local and regional planning activities and to help offset costs and provide local matching funds needed for state and federal funding. Your continued support for local and regional planning is appreciated! CVRPC is your resource – please contact us at 802-229-0389 or [cvrpc@cvregion.com](mailto:cvrpc@cvregion.com) for assistance.

### FY22 Moretown Activities

- ❖ Provided guidance on ARPA project eligibility and prioritization process.
- ❖ Coordinated technical support on road side mirror on Route 100B and moving speed feedback signs and pedestrian facilities to improve safety.
- ❖ Identified eligible roads for Grants in Aid construction and equipment funding, conducted pre-construction site visits, and managed GIA funds.
- ❖ Provided a letter of support for federal funding to study pedestrian facilities in North Moretown.
- ❖ Provided guidance to support Regional Emergency Management Committee (REMC) appointment process.
- ❖ Reviewed the Fletcher Road Bridge for inclusion in the AOT capital project prioritization process.
- ❖ Provided resources on funding and opportunities to support Town’s energy priorities including municipal solar project development, fleet electrification, Enhanced Energy Planning, and local green workforce development and training.
- ❖ Coordinated with Town to develop an RFP for Engineering Services to provide bid and construction oversight for implementing a stormwater mitigation project at the Moretown Elementary School and Town Office complex. A contract was awarded and the work on this project has commenced.

### CVRPC Projects & Programs

- ❖ **Municipal Plan and Bylaw Updates:** Focus on predictable and effective local permitting through educational initiatives, bylaw modernization and municipal plan updates.
- ❖ **Brownfields:** Complete environmental site assessments so properties can be sold, developed or redeveloped to benefit the economy, create/protect jobs and increase housing opportunities.
- ❖ **Transportation Planning:** Provide studies, plans, data collection, and traffic counts. Coordinate local involvement in transportation planning through the Transportation Advisory Committee.
- ❖ **Emergency Planning:** Prepare the region for natural disasters and other emergencies by coordinating with local volunteers and the State on emergency planning, exercises, and training.
- ❖ **Climate and Energy Planning:** Support projects to reduce municipal and residential energy burdens, reduce total energy consumption, expand renewable energy resources, and build climate and energy resilience.
- ❖ **Natural Resource Planning:** Protect water resources, improve water quality, promote ecological function, preserve forest blocks and habitat connectors, enhance recreational opportunities and support the agricultural and forest products industries.
- ❖ **Regional Plans:** Coordinate infrastructure, community development, and growth at the regional level through the preparation, adoption, and implementation of a regional plan.
- ❖ **Geographic Information System Services:** Collect, analyze, store and distribute data for regional projects and programs. Offer fee-for service GIS support to municipalities and non-governmental organizations.
- ❖ **Clean Water Service Provider:** Engage watershed and land conservation organizations, Regional Planning Commissions, Natural Resources Conservation Districts and municipalities to identify and fund water quality projects to achieve phosphorous reduction targets
- ❖ **Special Projects:** Complete special projects, such as downtown revitalization, recreation paths, farmland preservation, economic development, and affordable housing projects.
- ❖ **Grants:** Identify appropriate grant sources, define project scopes, and write grant applications.
