HEALTHY COMMUNITIES

The Health Equity and Community Design Technical Assistance Pilot

The Health Equity and
Community Design Technical
Assistance (TA) Pilot will provide
extra capacity and resources to
communities* to develop
healthy community design and
placemaking plans, ideas, and
projects that **center on equity**.

COMMUNITIES RECEIVE:

- Dedicated support through virtual office hours
- In-person and/or virtual learning opportunities
- Accessibility audits
- Facilitation of local community engagement, outreach, and project design
- Preparation for DHCDs Better Places placemaking grants
