

ELECTRIC SCHOOL BUS PEER EXCHANGE

THURSDAY, JUNE 1, 2023

9:30 AM - 10:30 AM

MICROSOFT TEAMS

Vermont & Granite State Clean Cities & Maine Clean Communities are hosting an informal discussion to learn about electric school bus technology on our roads in Northern New England. Join school districts (SD) and partners:

- Sean McKenzie - South Burlington, VT SD
- Barry Russell - Champlain Valley, VT SD
- Eric Hann - Mt. Desert Island, ME SD
- Jennifer Wallace-Brodeur - VEIC

We'll provide funding information from the EPA Clean School Bus Program and the Diesel Emission Reduction Act (DERA) Program.
