

FY23 ANNUAL REPORT – TOWN OF FAYSTON

The Central Vermont Regional Planning Commission (CVRPC) provides planning, development, and project implementation services to its 23 municipalities in Washington and western Orange Counties. Municipalities in the region are entitled to equal voting representation by a locally appointed member to the governing Board of Commissioners. CVRPC has no regulatory or taxing authority; each year, we request a per capita assessment from our members in support of local and regional planning activities and to help offset costs and provide local matching funds needed for state and federal funding. Your continued support for local and regional planning is appreciated! CVRPC is your resource – please contact us at 802-229-0389 or cvrpc@cvregion.com for assistance.

Fayston Activities Through June 30, 2023 (Fiscal Year 2023)

- Prepared and submitted Emergency Relief Assistance Fund information to town to facilitate elevated disaster relief aid.
- Provided research assistance to the Town on curb cut regulations.
- Presented maps from Bridge and Culvert inventory.
- Drafted Local Hazard Mitigation Plan.
- Participated in Selectboard meeting to review technical assistance available through CVRPC.
- Collaborated with town to ensure Bridge #6 would be inspected and steps needed to ensure eligibility in state bridge program.
- Met with Planning Commission Chair to share housing related regulations and initiatives.
- Provided town staff with Designated Scenic Resources map.
- Successful applications for investment grade energy assessments for the Municipal Building and Town Garage; making them eligible to apply for \$500k MERP implementation funds and State Energy Program Revolving Funds; \$4,000 MERP mini-grant for energy planning technical assistance and community engagement.
- Supported WindowDressers campaign by facilitating connections with Capstone and other regional partners resulting in storm window inserts for 21 households.
- Supported efforts of Harwood Union High School Youth Group on their efforts to propose a Clean School Bus pilot.
