

## FY23 ANNUAL REPORT – TOWN OF PLAINFIELD

The Central Vermont Regional Planning Commission (CVRPC) provides planning, development, and project implementation services to its 23 municipalities in Washington and western Orange Counties. Municipalities in the region are entitled to equal voting representation by a locally appointed member to the governing Board of Commissioners. CVRPC has no regulatory or taxing authority; each year, we request a per capita assessment from our members in support of local and regional planning activities and to help offset costs and provide local matching funds needed for state and federal funding. Your continued support for local and regional planning is appreciated! CVRPC is your resource – please contact us at 802-229-0389 or [cvrpc@cvregion.com](mailto:cvrpc@cvregion.com) for assistance.

### Plainfield Activities Through June 30, 2023 (Fiscal Year 2023)

- Managed USDA Rural Development Grant for Plainfield Coop.
- Prepared and submitted Emergency Relief Assistance Fund information to town to facilitate elevated disaster relief aid.
- Provided technical support for Hazard Mitigation Grant for Brook Rd Bridge #21.
- Prepared documents and map submitted with Village Center Designation application.
- Participated in Selectboard meeting to review technical assistance available through CVRPC.
- Identified projects and facilitated discussions with town on opportunities for technical assistance under the Municipal Technical Assistance program (MTAP).
- Provided information on the capital improvement planning process to the Selectboard.
- Provided planning support on how the town could approach investing in declining bridge stock along Brook Road. Provided summary of funding programs for bridges.
- Administered grant to build stormwater best management practices behind the Health Center to address run off from Route 2, Towne road and the neighborhood.
- Provided technical analysis, coordinated with utility, industry, school and public on fuel-switching and on-site generation and storage project development.
- Successful applications for investment grade energy assessments for the Municipal Office Building, Town Garage, Wastewater Treatment Plant, Town Hall/Opera House, and Fire Station, making them eligible to apply for \$500k implementation funds and State Energy Program Revolving Funds; and \$4000 MERP mini-grant for energy planning technical assistance and community engagement.
