

FY23 ANNUAL REPORT – TOWN OF WATERBURY

The Central Vermont Regional Planning Commission (CVRPC) provides planning, development, and project implementation services to its 23 municipalities in Washington and western Orange Counties. Municipalities in the region are entitled to equal voting representation by a locally appointed member to the governing Board of Commissioners. CVRPC has no regulatory or taxing authority; each year, we request a per capita assessment from our members in support of local and regional planning activities and to help offset costs and provide local matching funds needed for state and federal funding. Your continued support for local and regional planning is appreciated! CVRPC is your resource – please contact us at 802-229-0389 or cvrpc@cvregion.com for assistance.

Waterbury Activities Through June 30, 2023 (Fiscal Year 2023)

- Prepared and submitted Emergency Relief Assistance Fund information to town to facilitate elevated disaster relief aid.
- Hosted educational table at Waterbury LEAP festival promoting Park your Carbon and discussing EV and EV charging initiatives.
- Provided letter of support for Green Mountain Club for the Community Recovery & Revitalization Program.
- Reviewed town sidewalk blueprints and created digital map of town sidewalks.
- Provided letter of support for town's application to study traffic calming in Waterbury Center under Better Connections Program.
- Participated in Act 250 review of several projects along Route 100 for traffic impacts.
- Shared resources with select board on speed feedback funding sources for traffic calming.
- Supported efforts of Harwood Union High School Youth Group on their efforts to propose a Clean School Bus pilot.
- Served as breakout group discussion leader for Revitalizing Waterbury meeting to identify community values through asset mapping.
- Submitted applications for investment grade energy assessments for the Town Highway Building and Municipal Office Complex making them eligible to apply for \$500k implementation funds and State Energy Program Revolving Funds; successful application for the \$4000 MERP mini-grant for energy planning technical assistance, energy committee, and community engagement.
