

## FY23 ANNUAL REPORT – TOWN OF WOODBURY

The Central Vermont Regional Planning Commission (CVRPC) provides planning, development, and project implementation services to its 23 municipalities in Washington and western Orange Counties. Municipalities in the region are entitled to equal voting representation by a locally appointed member to the governing Board of Commissioners. CVRPC has no regulatory or taxing authority; each year, we request a per capita assessment from our members in support of local and regional planning activities and to help offset costs and provide local matching funds needed for state and federal funding. Your continued support for local and regional planning is appreciated! CVRPC is your resource – please contact us at 802-229-0389 or [cvrpc@cvregion.com](mailto:cvrpc@cvregion.com) for assistance.

### Woodbury Activities Through June 30, 2023 (Fiscal Year 2023)

- Assisted Fire Department in applying for congressional directed spending request for funding a new fire station.
- Provided traffic speed and volume counts along Route 14 near Woodbury Lake.
- Prepared and presented Zoning 101 training for Planning Commission.
- Supported successful application \$4,000 MERP mini-grant for community outreach, education, and engagement related to energy planning and resources (website/social media).
- Visited sites and participated in stormwater implementation discussion with Selectboard.
- Began updating the inventory of town owned bridges and culverts. Inventoried data includes, asset condition and various other attributes that support maintenance and improvement programming.

**Regional Commissioner**  
Michael Gray  
**Transportation Advisory  
Committee**  
Chris Koteles

*\*During and following the July Flood, CVRPC staff provided outreach and guidance on recovery efforts and tracking of damages to aid response and maximize FEMA reimbursements for town and individual damages (\*Fiscal Year 2024)*

### CVRPC Projects & Programs

- ❖ *Municipal Plan and Bylaw Updates that focus on predictable and effective local permitting*
- ❖ *Brownfields environmental site assessments to facilitate redevelopment and economic growth*
- ❖ *Transportation planning, studies, data collection, traffic counts, and coordination of local involvement through the regional Transportation Advisory Committee*
- ❖ *Emergency planning for natural disasters and coordination with local volunteers and the State*
- ❖ *Climate and energy planning to support projects to reduce municipal and residential energy burdens and build resilience*
- ❖ *Natural resource planning to protect water resources, preserve forest blocks, enhance recreational opportunities and support agricultural and forest industries*
- ❖ *Regional Planning to coordinate infrastructure, community development, and growth*
- ❖ *Geographic Information System Services to support to municipalities*
- ❖ *Clean Water Service Provider to identify and fund water quality projects to achieve phosphorous reduction targets*
- ❖ *Special Projects such as recreation paths, farmland preservation, and affordable housing*
- ❖ *Grant support through project identification, scoping, and applications*
