MEMO

Date: September 26, 2024,
To: Executive Committee

From: The Ijaz Group, Contracted Accountant Re: Financial Report as of 08/31/2024

ACTION REQUESTED: Accept August 31, 2024, unaudited financial reports.

FY25 Summary: CVRPC's FY25 surplus is \$159,841.76 through August 31st, 2024. The fiscal year-to-date surplus is within the budget. This surplus is primarily due to the FY25 Town Dues which are billed at the start of each Fiscal year. In FY24, CVRPC had a YTD surplus of \$148,097.85 through August 31st, 2023.

Balance Sheet

- Assets Billing is substantially complete through 08/31/2024. Aging receivables are at \$578,427. This is higher than usual because of the ACCD FY25 Q1 Invoice of \$159,301 and recent quarter outstanding billing. Operating cash is \$97,290, whereas the Savings and CD balance is \$730,913 and Union Bank including Sweep balance is \$394,211, totaling the cash balance to \$1,260,180. CVRPC works to maintain at least \$100,000 in operating funds for cash flow purposes. We also have \$37,759.95 for MRC in a separate account.
- Current Liabilities
 - CVRPC maintained an average payable balance of \$20,567.
 - Accrued vacation and compensatory time balances are \$18,385 and \$1,795 respectively.
 - ACCD Deferred Income for FY24 & FY25 combined stands at \$206,481. Other Deferred Income consists of MARC Brownfields \$39,620, VCRD Climate Catalyst \$3,801, BGS MERP \$130,717.59, and CWSP Formula \$348,717. Total Deferred Revenue is \$801,718.
- Equity Equity is assets minus liabilities the company's value. CVRPC's Total Equity as of 08/31/2024 is \$1,012,428 and it was \$701,761 and \$613,535 on the same date in 2023 and 2022, respectively.
- Surplus of \$159,841.76 reflects retainage of Town Dues earned in July 2024.

Budget vs. Actual (a.k.a. Profit & Loss Statement or Net Income Statement)

In reviewing Income and expenses through 08/31/2024, the benchmark used is a percentage of the budget expected to be earned/spent if all income/expenses were earned/spent equally over 12 months. The benchmark for 08/31 is 16.67%.

- *Income* Total revenue stands at 12.05% earned, which is about 4.62% below the budget.
- Expenses Total expenses stand at 7.12%, about 9.55% below the benchmark. Wages, CVRPC's most significant expense, is also under budget at 12.79% of the budget.

VHB – Mad River Path VT-100 Corridor Study

The contractor will perform a corridor study/feasibility study for a shared use path in the Mad River Valley. Local match is being made by the 4 towns in the valley at 20%.

Janet Shatney moved to authorize the executive director to sign the contract with VHB for \$69,075, seconded by Peter Carbee. It was noted that this path would connect to the Cross Vermont Trail on Lovers Lane on Route 100B. The motion carried 4-0.

Procurement | Admin-Finance Policies Amendments

Christian advised that for the procurement policy there are ongoing changes at the state and federal levels. Thresholds have been updated as well as reference text.

Peter Carbee moved to adopt the amended procurement policy as proposed, seconded by Lee Cattaneo. The motion carried 4-0.

Christian advised the Administrative and Financial Management policies and procedures language has been amended to clarify that the Executive Director can enter into grant agreements to accept funds on behalf of the CVRPC up to the same \$25,000 threshold, as the Executive Director does for contracts and agreements. Also added was language allowing the Executive Director to approve amendments to contracts that do not amend the dollar value, but only amend the term.

Janet Shatney moved to adopt the amended administrative and financial management policies and procedures as proposed, seconded by Lee Cattaneo. The motion carried 4-0.

Personnel Policy Amendment

Christian provided an overview of the information outlined in the packet, noting it was to create a job description for a project manager to create flexibility for project development hiring, specifically noting potential need for the upcoming Mad River Path project management. He also noted that he would like to amend the wage range outlined in the packet to \$30 - \$50. Significant discussion ensued on how CVRPC should approach doing a temporary hire for the Mad River Path and what duties would be involved; and it was noted that rather than hiring as a part-time employee for CVRPC, it would be best to have MRVPD do the hiring. It was ultimately agreed that Christian would remove the 4th paragraph from the job description and change to Special Project Manager to make it clear it is a temporary position; and it was noted any job announcement would need to be very specific. Christian will continue to work with MRVPD to coordinate the best way to move forward.

Lee Cattaneo moved to approve the job description as verbally amended by Christian and the wage range modified with a maximum of \$50.00, seconded by Janet Shatney. Motion carried 4-0.

It was requested that Christian send a copy of the revised description to the committee.

Financial Report

Ahsan Ijaz reviewed the financial statement as outlined in the packet.

Central Vermont Regional Planning Commission Meeting Minutes Peter Carbee moved to accept the unaudited July financial report, there was brief discussion related to

how quickly dues come in, seconded by Janet Shatney. The motion carried 4-0.

Municipal Dues

Christian provided an overview of the information provided in the packet. It was noted that staff recommends a 3.9% increase. Outlined was the flexibility of the funds earned from dues in order to match region-wide projects. It was noted that dues have been held flat since FY23. There was brief discussion on the impact of interest on our operating accounts and the need to continue to build our reserves.

Peter Carbee moved to recommend to the Board the 3.9% increase (\$1.33 to \$1.38 per capita), seconded by Lee Cattaneo. Motion carried 4-0.

Meeting Minutes – 8/5/24

Lee Cattaneo moved to accept the meeting minutes from 8/5/24, seconded by Janet Shatney. The motion carried 4-0.

Commission Meeting Agenda

Christian Meyer reviewed the agenda items outlined in the meeting packet. It was recommended that we add the open meeting law resolution amendment item immediately following the open meeting law update item. This amendment is necessary to outline the change in the regular meeting time for the Brownfields Advisory Committee. It was suggested the program update item should highlight what we are currently doing related flood prevention so folks are aware.

Lee Cattaneo moved to approve the Board agenda with amendments, seconded by Peter Carbee. Motion carried 4-0.

Christian needs to confirm whether or not a special meeting will be needed for the VTrans funding before the Board meeting, and will advise.

Committee Round Table

No items raised.

Adjourn Lee Cattaneo moved to adjourn, seconded by Peter Carbee. Meeting adjourned at 5:39 pm.

Respectfully submitted, Nancy Chartrand, Office Manager
