
Central Vermont Regional Planning Commission Clean Water Advisory Committee

Community Wastewater Management Assistance

Join us for a panel discussion and Q&A session with staff from the Department of Environmental Conservation's Water Infrastructure and Drinking & Groundwater Protection Divisions. Meeting topics include aging onsite wastewater systems, regulatory concerns, wastewater best management practices, emerging technologies for onsite wastewater dispersal, and funding opportunities for public & private entities.

Speakers

- 🌐 Cristin Ashmankas: Compliance, Outreach, Operations, and Logistics Program Manager
- 🌐 Ashley Hellman: Environmental Analyst and ARPA Pretreatment Initiative Lead
- 🌐 Lynnette Claudon: PE, Chief Pollution Control Design Engineer & Planning Advance Program Lead

Agenda & Zoom link available on the [CVRPC website](#).

Thursday

9 January 2025

4:00 PM – 6:00 PM
