

## FY25 ANNUAL REPORT – TOWN OF CABOT

The Central Vermont Regional Planning Commission (CVRPC) provides planning, development, and project implementation services to its 23 municipalities in Washington and western Orange Counties. Municipalities in the region are entitled to equal voting representation by a locally appointed member to the governing Board of Commissioners. CVRPC has no regulatory or taxing authority; each year, we request a per capita assessment from our members in support of local and regional planning activities and to help offset costs and provide local matching funds needed for state and federal funding. Your continued support for local and regional planning is valued! CVRPC is your resource – please contact us at 802-229-0389 or [cvrpc@cvregion.com](mailto:cvrpc@cvregion.com) for assistance.

### Cabot Activities Through June 30, 2025 (Fiscal Year 2025)

- Deployed four trail counters with Cabot Recreation & Trails Committee as part of VOREC grant data collection.
- Prepared and submitted Rural and Tribal Technical Assistance Grant for replacement design of Route 215 bridge below village.
- Worked with the Trails Committee to develop a town-wide trails map
- Provided guidance and assistance on municipal Hazard Mitigation Grant Program application.
- Prepared and formatted final deliverable for the Cabot Planning Commission Town Plan update incorporating updated data, maps and resilience chapter inclusion.
- Identified 38 discretionary municipal water quality projects from the Department of Environmental Conservation Watershed Projects Database supported by goals identified in the municipal plan.
- Provided technical assistance throughout application, award, and implementation of \$483,505 in state funds (MERP). Included RFP and scope development for building envelope and HVAC improvements to the Willey Building, Wastewater Treatment Plant, and Town Garage.
- Provided template and planning support for extreme temperature preparedness addendum to the Local Emergency Management Plan (LEMP).
- Prepared materials for community members and town leadership on Resilience Hubs and attended community outreach day to gather community feedback on needs.
