

FY25 ANNUAL REPORT – TOWN OF DUXBURY

The Central Vermont Regional Planning Commission (CVRPC) provides planning, development, and project implementation services to its 23 municipalities in Washington and western Orange Counties. Municipalities in the region are entitled to equal voting representation by a locally appointed member to the governing Board of Commissioners. CVRPC has no regulatory or taxing authority; each year, we request a per capita assessment from our members in support of local and regional planning activities and to help offset costs and provide local matching funds needed for state and federal funding. Your continued support for local and regional planning is valued! CVRPC is your resource – please contact us at 802-229-0389 or cvrpc@cvregion.com for assistance.
