

FY25 ANNUAL REPORT – MARSHFIELD

The Central Vermont Regional Planning Commission (CVRPC) provides planning, development, and project implementation services to its 23 municipalities in Washington and western Orange Counties. Municipalities in the region are entitled to equal voting representation by a locally appointed member to the governing Board of Commissioners. CVRPC has no regulatory or taxing authority; each year, we request a per capita assessment from our members in support of local and regional planning activities and to help offset costs and provide local matching funds needed for state and federal funding. Your continued support for local and regional planning is valued! CVRPC is your resource – please contact us at 802-229-0389 or cvrpc@cvregion.com for assistance.

Regional Commissioner
Amy Monahan
**Transportation Advisory
Committee**
Todd Eaton

Marshfield Activities Through June 30, 2025 (Fiscal Year 2025)

- Reviewed town Flood Hazard Area Bylaws for conformance with the National Flood Insurance Program (NFIP).
- Developed a trail map for a kiosk at Twinfield Union High School.
- Identified 18 discretionary municipal water quality restoration projects from the Department of Environmental Conservation Watershed Projects Database supported by goals identified in the municipal plan.
- Updated Road Erosion Inventory.
- Assisted with the development of a Building Resilient Infrastructure and Community application to study flood mitigation in town.
- Updated town bridge and culvert survey and uploaded data to [VT Culverts](#) website.
- Project management for the Emergency Watershed Protection Program to mitigate riverain erosion and protect structures.
- Provided technical assistance to review energy audits of municipal buildings (FY24 MERP), scope projects from recommendations, and apply for \$380,162 in MERP Implementation Phase funding for municipal building envelopes and HVAC improvements.
- Provided resources and assistance on funding, programing, and project development covering flood recovery and resilience, sidewalks, Resilience Hubs, EVSE planning and VT Community Charging Program, and alternative funding for MERP identified projects.

Overview of CVRPC Programs and Services

- ❖ *Assistance for town plan and bylaw updates, focusing on predictable and effective local permitting*
- ❖ *Brownfields environmental site assessments to facilitate redevelopment and economic growth*
- ❖ *Transportation planning, studies, data collection, traffic counts, and coordination of local involvement through the regional Transportation Advisory Committee*
- ❖ *Emergency planning for natural disasters and coordination with local volunteers and the State*
- ❖ *Climate and energy planning to support projects to reduce energy burdens and build resilience*
- ❖ *Natural resource planning to protect water resources, preserve forest blocks, enhance recreational opportunities and support agricultural and forest industries*
- ❖ *Regional Planning to coordinate infrastructure, community development, and growth*
- ❖ *Geographic Information System Services to support to municipalities*
- ❖ *Special Projects such as recreation paths, farmland preservation, and affordable housing*
- ❖ *Grant support through project identification, scoping, and applications*
- ❖ *Clean Water Service Provider: Developing water quality projects to meet phosphorous reduction targets*
