

FY25 ANNUAL REPORT – MORETOWN

The Central Vermont Regional Planning Commission (CVRPC) provides planning, development, and project implementation services to its 23 municipalities in Washington and western Orange Counties. Municipalities in the region are entitled to equal voting representation by a locally appointed member to the governing Board of Commissioners. CVRPC has no regulatory or taxing authority; each year, we request a per capita assessment from our members in support of local and regional planning activities and to help offset costs and provide local matching funds needed for state and federal funding. Your continued support for local and regional planning is valued! CVRPC is your resource – please contact us at 802-229-0389 or cvrpc@cvregion.com for assistance.

Regional Commissioner
David Stapleton
**Transportation Advisory
Committee**
John Lynch

Moretown Activities Through June 30, 2025 (Fiscal Year 2025)

- Assisted Planning Commission in determining Act 250 exemption in village center and Act 250 jurisdiction in entire town.
- Advised town officials on traffic calming methods throughout town.
- Attended meetings with Planning Commission to determine feasibility and project requirements of applying for a Neighborhood Development Area in North Moretown.
- Reviewed Moretown Flood Hazard Area Bylaws for conformance with the National Flood Insurance Program.
- Updated municipal officials regarding National Flood Insurance Program, FEMA map and bylaw updates, river corridor planning, and DEC Rivers Program no adverse impact model bylaw.
- Identified 25 discretionary municipal water quality restoration projects from the Department of Environmental Conservation Watershed Projects Database supported by goals identified in the municipal plan.
- Prepared map set to support Planning Commission outreach regarding updates to the Town Plan.
- Managed the Mad River Path Active Transportation Corridor feasibility study
- Provided technical assistance to apply for \$498,630 of energy resilience implementation funding to support building envelope and HVAC improvements to municipal buildings.
- Provided template and planning support for extreme temperature preparedness addendum to the Local Emergency Management Plan (LEMP).

Overview of CVRPC Programs and Services

- ❖ *Assistance for municipal plan and bylaw updates, focusing on predictable and effective local permitting*
- ❖ *Brownfields environmental site assessments to facilitate redevelopment and economic growth*
- ❖ *Transportation planning, studies, data collection, traffic counts, and coordination of local involvement through the regional Transportation Advisory Committee*
- ❖ *Emergency planning for natural disasters and coordination with local volunteers and the State*
- ❖ *Climate and energy planning to support projects to reduce energy burdens and build resilience*
- ❖ *Natural resource planning to protect water resources, preserve forest blocks, enhance recreational opportunities and support agricultural and forest industries*
- ❖ *Regional Planning to coordinate infrastructure, community development, and growth*
- ❖ *Geographic Information System Services to support to municipalities*
- ❖ *Clean Water Service Provider: Developing water quality projects to meet phosphorous reduction targets*
- ❖ *Special Projects such as recreation paths, farmland preservation, and affordable housing*
- ❖ *Grant support through project identification, scoping, and applications*
