

## FY25 ANNUAL REPORT – WOODBURY

The Central Vermont Regional Planning Commission (CVRPC) provides planning, development, and project implementation services to its 23 municipalities in Washington and western Orange Counties. Municipalities in the region are entitled to equal voting representation by a locally appointed member to the governing Board of Commissioners. CVRPC has no regulatory or taxing authority; each year, we request a per capita assessment from our members in support of local and regional planning activities and to help offset costs and provide local matching funds needed for state and federal funding. Your continued support for local and regional planning is valued! CVRPC is your resource – please contact us at 802-229-0389 or [cvrpc@cvregion.com](mailto:cvrpc@cvregion.com) for assistance.

### Woodbury Activities Through June 30, 2025 (Fiscal Year 2025)

- Assisted town in drafting FEMA Building Resilient Infrastructure and Communities grant for Buck Lake Brook study.
- Identified 26 discretionary municipal water quality restoration projects from the Department of Environmental Conservation Watershed Projects Database supported by goals identified in the municipal plan.
- Worked with Winooski Natural Resources Conservation District to prioritize Lake Wise water quality restoration projects around Woodbury Lake and Nelson Pond.
- Provided technical support to administer the Natural Resources Conservation Service Emergency Watershed Protection Program.
- Reviewed Woodbury Flood Hazard Area Bylaws for conformance with the National Flood Insurance Program.
- Assisted town in change of status for town road Municipal Road General Permit segments to access Grants in Aid funding.
