Review of positions and materials

Committee members reviewed the remaining open seat on the regional plan committee and discussed who might have capacity or interest in volunteering. Michael and Lee volunteered to reach out to several commissioners and alternates to gauge interest. David volunteered to be the backup if no other candidates are located, noting that he will be moving within the region within the year.

The committee discussed next steps including what steps could be taken if not enough volunteers step forward to fill out the slate, including asking for additional candidates at the next commissioner meeting.

The committee will meet again once it has potential nominees for all committee seats.

Lee moved to adjourn. Michael seconded. Motion carried.

Michael adjourned the meeting at 4:40 PM
