

Town of Fayston
Emergency Watershed Protection Program
Addendum # 2
August 3, 2026

The design documents for EWP Project 5042-009-077 Streambank Protection at 1137 North Fayston Road, Town of Fayston, dated March 2026, are modified as follows:

Final Design:

1. The engineering cost estimate is \$30,809.50
2. Site 2 has been removed
3. Attached: Updated design plan (with site 2 removed)
4. Attached: Engineering Cost Estimate
5. Attached: Construction Specifications
6. Attached: Natural Resources Conservation Damage Survey Report

All other terms and conditions of the design documents and technical specifications not hereby amended shall remain in full force and effect.
